From J7 of M5 follow signs to Worcester and then to Hereford on A4103. Along A4103 you pass through Leigh Sinton, then Storrige, then (ignoring sign to Cradley on the left) look for Millbank garage (see signs on road for water features as garage sells these too) and turn right just after the garage (signposted Suckley 3 miles).

From Hereford direction, drive past the first right hand turn to Cradley, past The Red Lion Pub on the right, up the hill then turn left signposted Suckley 3 miles. DO NOT turn towards Suckley before you have passed the Red Lion.

Drive along here for approx 0.7 miles, over a small stone bridge and you will come to a 90 degree bend to the right, on this bend you will see a track signposted The Clover Mill to your left and that's the drive to The Clover Mill.
